SCHOOL RE-OPENING AND REMOTE LEARNING - UPDATE

Kirsty Williams the Welsh education Minister has today announced that schools in Wales will re-open for Foundation Phase children during the week starting February 22nd. This means that children in Mrs McNamnee and Mrs Gibbons classes will be back to school sometime during that week.

Children in Key stage 2 will continue to be educated through blended learning at home unless essential child care is needed in school due to key worker or vulnerable status. More information on arrangements for the re-opening of school will follow next week.

I would like to take this opportunity to say well done on all the home tuition that you have managed with your children and managing the stress that goes with it. Please do not forget, you are not on your own and that the teachers can be contacted during the school week.

MRS FRANKLIN

Sadly, Mrs Sue Franklin our Chair of Governors for over 30 years passed away last Friday. Sue was an ex pupil of school, her two sons both attended St. Anthony's as did her two grandchildren, her Father was also a deputy head here. Sue was a part of the St. Anthony's Family for a long time. She was a very kind lady and will be greatly missed.

"Eternal rest grant unto her, O Lord and let perpetual light shine upon her. May she rest in peace"

HALF TERM - We break up for half term, next Friday 12th February for one week.

PLEASE KEEP IN TOUCH, STAY SAFE AND KEEP WELL.
