CROESO'N OL - WELCOME BACK! It has been lovely to welcome back all the smiling faces of Foundation Phase this week. We are very hopeful that the Welsh Government will open school to all children from March 15th. We will send out further details when we know for definite.

From the 1st March 2021, all school grounds in Wales will become smoke free spaces. As Wales becomes the first country in the UK to extend its smoking ban to certain outdoor areas, we are committed to improving the health of our staff and pupils by providing a smoke free environment.

Smoking in smoke free spaces - which not only includes school grounds but also public, outdoor day-care and child- minding settings as well as hospital grounds from the 1st March could result in £100 fine.

We want to protect everyone from harmful second-hand smoke and we especially recognise the important role that adults have in influencing the attitudes and smoking behaviour of children and young people. Banning smoking in places where children and young people spend their time will denormalise smoking and reduce the chances of children and young people starting smoking in the first place - ultimately saving lives.

I look forward to having your support to ensure we all play our part in building a healthier future. Those looking for help to stop smoking can access Wales' free NHS support service - Help Me Quit - on 0800 085 2219 or visit www.helpmequit.wales for help and support, including free stop smoking medication.

MARCH 1ST IS ST DAVID'S DAY.

To celebrate can all children who are in school on Monday please come to school dressed in colours or colour symbolising Wales. for example, a Welsh national dress, Welsh rugby or football shirt, yellow jumper (daffodil), green jumper etc
