CLWB HAPUS. The committee have been working very hard towards the setting up of our after-school club for September. Thank you to the parents who have returned the questionnaire stating an interest in the club. So far, we have 20 children who have indicated that they will use the club at some time during the working week. However, we believe that other parents are interested. Please could you contact the office either by phone or email stating your interest if you have not already done so stating the days that you wish your child to attend. It is important to stress that this is not a binding commitment, we just need to know the numbers who are interested at this stage. To be viable we need at least an average of 10 children per day therefore it is vital if the club is to take off, we have children attending. I know for many of our working families the club will solve many child caring headaches. We also need your help in spreading the good news about the club opening. Please do tell your friends, family and neighbours. Nearly all of our local schools offer this service, and it is vital that St Anthony's offer this service as well.

The committee are busy researching grants which can be used as payment. For example, once we are registered with the care inspectorate register for Wales then if you are a two-parent working family you can apply for 30 hours of childcare from the Welsh government.

We would really appreciate your support in helping us get this off the ground so that you can be confident your children are being taken care of in a safe and familiar environment whilst allowing you a little freedom at work. Please do contact us.

Summer Holidays

Next Friday 16th July we break up for the summer holidays after a year again disrupted by lockdowns during the pandemic. I do hope everyone enjoys good weather during the six weeks off, so they can play outside and enjoy some fresh air.

Own Clothes Day - Friday 16th July will be own clothes day. Contributions of £1 towards school funds, Thank you.

Reports - Your child/children will be bringing home their reports today.

AUTUMN TERM.

School will re-open for pupils on Thursday 2nd September. Regarding class bubbles and start times for the day, school are waiting for guidance from the Welsh Government. And we will let you know.

Next term school dates are below for your convenience.
