CLWB HAPUS. After School club committee will be working hard during the Summer holidays on setting up the club ready for opening during the first half term. More information will be provided during our first week back. We are now a registered charity.

During the holidays the hall will be repainted and we are upgrading the school with various new facias and windows. Which will be evident on our return.

EXCITING NEWS! - From September we will be going cashless. The secretary is working hard to set up 'schoolcomms' this will enable parents to be able to pay for dinners, breakfast club and afterschool club online. We will of course let you know all details you will need near the time.
