WIN TREES FOR YOUR SCHOOL!!!

Arlwyo a Glanhau  
**NEWYDD**  
Catering & Cleaning

NEWydd are proud to be working with the Woodland Trust to offer **THREE** schools the chance to each plant 30 trees in or around your school area. Trees not only improve our psychological health when we are near them, but they also contribute to keeping our bodies healthy!

By the end of the school year we hope to have sent out over 500 trees to be planted in the Flintshire area!

Schools participating in our Theme Days will be drawn at random to receive the Woodland Trust 'Cope' starter pack.
