

Looking for Family Information in Flintshire? You've come to the right place!

- Flintshire's Family Information Service (FIS) is a FREE and impartial information and signposting service for families (and for those who work with families).
- We can help you find services which offer support for your family, including information about childcare, finances, parenting and activities.
- We are your trusted starting point if you have any questions regarding support or information for your family.
- To find out more about how we can help you, please contact us.
