SCHOOL GATEWAY INSTRUCTIONS

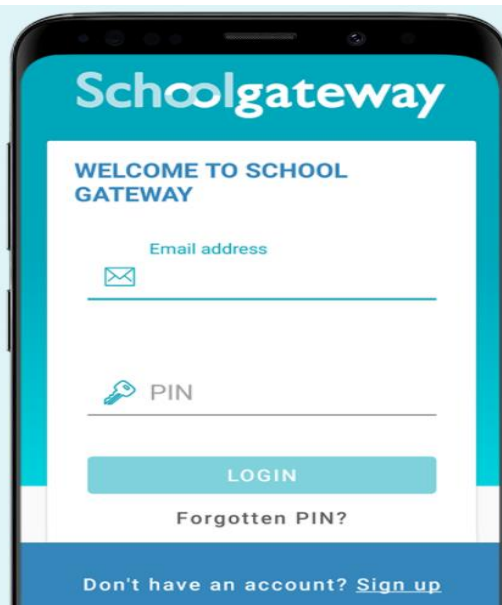

Visit the website: <https://login.schoolgateway.com/> and click on 'New User'. You will receive a text message with a PIN number. Use this PIN to log in to School Gateway.

OR you can Download the app. If you have a smartphone (iPhone and Android) please download the School Gateway from your app store. This shows the same information as the website.

If you are having trouble logging in it may be because we don't have your current email and mobile phone number on record. Please contact the School Office to update your details.

How to log in

1. Once you have your PIN, go ahead and launch the School Gateway app on your smartphone or tablet.
2. Enter the email you have registered with your school and the PIN you received. If you didn't get a PIN, it is likely because your school doesn't have the right contact info. Get in touch with them to check.
3. If both the email and PIN are entered correctly, hit '**Login**' and you're ready to start engaging with your school.
4. You can also access School Gateway [on the web](#)

How to activate your account

1. Download the Android or iPhone app.

2. Press '**Sign Up**' then enter the email and mobile number your school has on record. If you're not sure if they have the right details, it's best to check and update first.
3. Press '**Send PIN**'. You will receive a text message with your unique PIN.
4. You're now ready to log in and start using School Gateway.
5. If you don't have a smartphone or prefer to use a computer, you can set up your account using [the web version](#) of School Gateway.
