

St Anthony's Clwb Hapus After School Club

Platinum Jubilee

We trust you were able to enjoy some of the many celebrations organised locally over half term. On the last day of term, the children wore red, white and blue, and we enjoyed something of a royal buffet!

Planetree Adventure

It is a pleasure to see so many children attending this session, which focuses on team building and survival skills including activities such as map reading, using a compass, fire lighting and den building. Due to its popularity, we are pleased that this has been extended and will now run every Tuesday until the end of term.

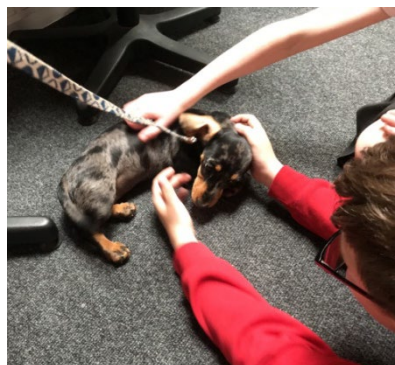

Tae Kwon Do

Tae Kwon Do continues to run on a Thursday as part of our After School Club, where our children learn basic self-defence which helps to develop self-discipline and fitness levels in a safe and fun environment.

Special Visitor

One of the children at Clwb Hapus recently had an addition to their family, a 3 month old puppy called Iggy. As part of our *Pets as Therapy* initiative, Iggy was invited to visit the club, under owner supervision, and meet the children. All the children sat sensibly in a circle and Iggy was able to run around for a fuss. I don't know who was more excited, the children or Iggy!

Gentle Reminder

If you would like your child to attend Clwb Hapus, or any of the events offered, please do book them in by phoning the school office, either before or on the day, so that we can secure your place. In the event that children turn up who are not booked in, although we do our best to accommodate them, this cannot be guaranteed. Thanks 😊

To book your child into Clwb Hapus, please phone the school office
