

St Anthony's Clwb Hapus After School Club

Trim Trail

When the weather is good, we like to take the children outdoors to get fresh air and safely burn off energy after the school day. The children love the Trim Trail which includes a balance beam, stepping logs, rope bridges and a climbing wall. This physical activity promotes relationships and social skills in a fun way.

Tae Kwon Do

Having completed a ten week course, the children enjoyed a mini presentation where they gained Certificates of Completion and a Little Ninjas Star Award. Teacher Sue also runs these courses locally. Please ask us if you would like any more information about this.

Planetree Adventure

The Children have thoroughly enjoyed this outdoor learning experience, which has included water, fire, shelter and food, as well as problem solving and team building. A big Thank you to Jo who has provided the children with the opportunity to develop these valuable life skills which they will encounter as they grow up.

Exciting News

We can hardly believe that Clwb Hapus has been running for a year! When the children return after the summer break, we will be putting on a party to celebrate our success. This will be on Friday 9th September. Be sure to reserve your child's place 😊

To book your child into Clwb Hapus, please phone the school office
